Message from Staffordshire Fire and Rescue

Safety advice for children as it gets colder. We want to inform them to stay away from frozen rivers, lakes and ponds.

The weather is getting colder so Staffordshire Fire and Rescue Service wanted to make your students aware of the dangers of frozen water. Iced over water has dangerously low temperatures which would be a real shock to the system and means that people can very quickly get into difficulty.

Our advice is as follows:

- Make sure children understand how dangerous it is to play on ice. Tell them to stay away from frozen rivers, lakes and ponds.
- Don't wander too near to the edge, icy or wet conditions could cause you to slip and fall in
- Don't be tempted to test the thickness of the ice; it's easy to slip from the bank and fall through into the freezing water
- Dog owners should ensure they keep their pets on a lead so they are not at risk of falling in
If you see someone, or a pet, fall

through ice and get into difficulty do not risk yourself by trying to rescue them -instead ring 999 and ask for the fire and rescue service immediately.

Wind in the Willows—Theatre Trip

Our annual theatre trip to Newcastle will happen next Wednesday. The children will be seeing Wind in the Willows. If you have not sent your permission slip to school, please forward to the office ASAP.

The children need to wear their correct uniform. The children will return to school in time for afternoon break. Packed lunches are needed, school can provide a lunch, and the option for this is found on the permission slip.

Sports Clubs After School

There is now DfE funding in school to support children's involvement in after school physical activities, so this year's clubs will be provided by school at no extra cost.

Sorry for the misunderstanding, if you have paid for this term's club, Mrs Ashmore will send you a refund next week.

Wednesday—Lego Club - **More details to follow !!**

Thursday—Dance Club 3.15—4.15
