Medical Notes

This week we had an inspection of Registers by Staffs County Council, one point that they are now making all schools aware of is that if a child has any appointment during school time, then evidence needs to be provided to the school, from the parent. Copies of paperwork is ideal, however if it is a text then that needs to be shown to the office, so the leave can be authorised

Many Thanks for your understanding in this matter.

Online Safety

On Friday 24th May after parents assembly Miss Beynon will be holding a Parent Workshop about Online Safety. In this digital day and age our children are using I pads, phones and computers from a very early age. We need to ensure they are safe. This is a quick workshop to help parents to keep their children safe whilst on line. We really hope you can stay for the workshop.
