There are still tickets available for the school play.

From Monday you can buy more than the initial 2 per family.

Thanks

Sign Language Club.

Letters went out this week about a club we are hoping to start in the new school year. A Sign Language Club would be very beneficial to children. Learning sign language and any other foreign languages is good for the brain. It enhances cognition, and creative and abstract thinking. It even has the added benefit of improving hand and eye coordination. One of our parents will run the Sign Language Club on a Monday Night. We have had a great response already—if you are interested let the office know. Thanks
