Uniform

Just a reminder to parents to check uniform is named clearly to help children look after their belongings. We value the sense of pride and belonging a uniform gives, and Staff work closely with children to develop their own independence in looking after their belongings. We would like to thank you for supporting us in this by sending the children in to school in the correct uniform. Just a quick reminder that large / distracting hair clips, large earrings and makeup are not allowed.

Parking outside School

Please can you be mindful that the zig zag lines are not to be parked on during school hours, especially at drop off and pick up. Also Marchington has a lack of pavements and members of the public have mentioned that they have seen cars speeding through the village at the start of the school day. We have contacted our PCSO and she will come and visit parents during drop off and pick up times to ensure our children are kept safe. Thankyou.

Start of school day

A letter has gone out in all the childrens bags tonight about the start of the school day, if you have not received one please can you inform the office.
