Message from Mr Gathercole

As we near the end of this half term I would like to say how impressed I am with the children's resilience and how they have adapted with all the changes and uncertainty over the last year. It is wonderful to see the positivity within school, well done to all the pupils for coping so well.

I am so impressed by the reports I have heard following on from Oak Class trips to Creswell Craggs. Their conduct and behaviour on the trip was perfect and the guide on the trip was astounded by their depth of knowledge and inquisitiveness. Well done class 3 and 4, you have done yourselves and St Peters proud.

I would like to wish you all happy and restful half term and look forward to seeing you all back in school on 7th June.

Cresswell Craggs

We have had an absolutely brilliant day at Creswell Craggs! The children wowed everyone with their extensive knowledge of the Stone Age and asked some fantastic questions too. They were so brave in the cave tunnels, assembled skeletons of lions and hyena like real palaeontologists, and found that hunting bison with spears was much harder than you'd think! We were so lucky with the weather too - you might find it hard to believe, but there wasn't a single drop of rain while we were on site. What a fantastic end to our "Let's Rock the Earth" topic! A massive well done to all, and also a huge thank you to FOMS for covering so much of the cost.

Miss Vickers

Taste of America Day

A big thankyou to Mrs Hudson for cooking up the Taste of America day. All the children loved getting involved and enjoyed their lunch. Reception, Years 1 -2 are all eligible for universal free school meals. Keep your eyes open for the next themed lunch to get involved.

Parent Pay
