Dear Parents and Carers,

This is not the exciting letter I was hoping to be writing this week following the Government's announcement yesterday. Unfortunately, nothing has changed regarding how we need to operate within school which means that our exciting events we had planned, in the hope of lifting restrictions, will have to be changed.

The Summer Fair will have to be postponed, we didn't want to cancel as we were incredibly excited about the range of stalls and events planned and believe that it will be a wonderful event for the school. We are looking to rearrange for earliest date in September when we hear back from the stall holders. We will let you know the new date as soon as possible, keep an eye on communications from school.

We are going to run our sports' day and school play as we feel they are an essential experience for our children but we will not be able to invite parents to attend under the current restrictions. Please bear with us as we are working on ways we can share the experience of sports' day and the school play with you all.

For our Year 4 leavers, we are working on a way we can hold a small event with Year 4 parents to celebrate their time at St Peters and again please bear with us whilst we work out the logistics.

As I've mentioned many times since January we are living in very challenging and strange times but I still have hope for July 19th!

Thank you all for your patience, support and understanding.

My very best wishes,

Mr. Jason Gathercole

Headteacher
